Host Institution

The University of Sydney is Australia's first university and its reputation spans 160 years. They are regularly ranked in the top 0.3% of universities worldwide. The cross-disciplinary nature of the university's 9 faculties (colleges) and schools allows them to offer the widest range of academic programs of any Australian university, giving students the flexibility to personalize your study.

From your first day at the University of Sydney, students have the opportunity to learn from aspiring academics. Sydney continues to rank among the top teaching and research universities in the world and offers a cutting-edge curriculum.

Host City

The iconic city of Sydney is best known for its distinctive Opera House, incredible Harbor, and its exciting and dynamic lifestyle. Sydney ranks first as the world's friendliest city of tourists and fourth best city for students. Sydney has many cultural events and festivals throughout the year. Explore how art, technology and commerce intersect at the

Vivid City event, walk along the spectacular Bondi coastal walk and revel in three weeks of live music, visual arts, theater, food, and film during the Sydney Festival.

Exchange programs are highly competitive and space in each program is limited. You must meet the following eligibility requirements in order to apply to this program:

- 3.0 GPA
- Completion of 2 semesters at UMD

Exchange programs are a good fit for students looking for immersion, personal growth, and the opportunity to strengthen qualities such as independence and adaptability.

Student Visa Information

A student visa is required for participation on this exchange. For more information, please visit our [study abroad visa guide](#) to view instructions for the country you will be visiting. Please note that visa information is subject to change and you are responsible for checking the [embassy website](#) for updates.

1. Click "Apply Now" at the top of this page. You will log in with your UMD directory ID and password.
 2. Submit all application materials by the deadline listed below. This includes meeting with your EA advisor (listed at the top of this page), and may include requesting a faculty letter of recommendation, and submitting an official transcript. If a letter of recommendation and/or official transcript are required, it will be listed in MyEA once you start an application for this program.
 3. After the application deadline, we will review all completed applications and nominate students for available spots in each exchange program.
 4. If you are nominated to participate in this exchange, you will work with your EA advisor (listed above) to apply directly to the host university, who will formally admit you to the exchange program. Nominated students **must** complete the host university application in accordance with the host university's stated deadlines and instructions.
 5. Nominated students will then work with their EA advisor (listed above) and our partner universities to coordinate all aspects of the stay at the host university such as course registration, visas and arrival.
